

SOLITUDE® WINES

Our 29th Vintage Release

2020 Chardonnay, Napa Valley

This wine has an alluring floral aroma of honeysuckle, citrus and pineapple. The body gives a lively palate loaded with fig, apricot, and melon. A creamy flavor from malolactic fermentation balances acidity while the finish delivers a bright acidity that continues to intrigue. Over the years, Solitude has developed a reputation for consistency and value and is another fine release from the Dreyer Family.
